WHOLESALE PRICES FOR FALL SEASON, 1927.

Prices quoted herein are subject to change without notice.
Packing charges extra - at cost - in addition to prices quoted.

Our Nursery has a clean bill of health, and we can ship anywhere.
If ordered now, we will hold stock for later shipment, on any date
you may designate, if so desired.

We have 25 acres in splendid outdoor-grown ornamentals, and 3 to 4
acres of plants in pots and cans, established; the latter ready for
immediate shipment. A cordial invitation is hereby extended to the
trade to call and look over the stock we offer.

In addition to the stock shown herein, we carry a large assortment
of plants of every kind, in smaller quantities. We would be glad
to have you write us for quotations on stock not included herein.
Send us your "Want List" and we will give you our best quotations.

FIELD - GROWN STOCK:

All stock balled, unless otherwise specified.

Delivery after December 1st, 1927, unless otherwise ordered.
